We hereby grant you, in your capacity as a user of font software,
a non-exclusive, non-transferable, non-sublicensable user right for our font, under the following conditions:

### Ownership

The Font Software remains and shall remain, now and in the future, the property of Kyiv Type Foundry
(Yevgen Anfalov). Additionally, Kyiv Type Foundry (Yevgen Anfalov) is the sole owner of copyrights and
exploitation rights for the Font Software. The Licensee agrees that the Font Software and documentation,
and all copies thereof, are owned by Kyiv Type Foundry (Yevgen Anfalov). The design, structure,
organisation and encoding of the Font Software and documentation are property of Kyiv Type Foundry
(Yevgen Anfalov) and/or its suppliers.
The Licensee agrees that the Font Software and documentation are protected by German copyright,
trademark and design patent laws, as well as copyright and trademark laws of other countries and also
by international treaties (regardless of whether the Font Software is registered in the corresponding
registry or not).

### Copying Software

Copying the Font Software is not permitted.
Any and all copies that the Licensee is permitted to produce on the basis of this agreement, must contain
the same copyright, trademark and other property clauses as those on or contained within the Font Soft-
ware. The Licensee declares not to modify, adapt or translate the encoding of the Font Software, nor
reproduce, decompile, disassemble, reverse-engineer, change, modify or otherwise attempt to reveal the
source code of the Font Software.
The Licensee also agrees to use the trademarks that are connected to the Font Software accordingly and
to accept usage of the trademarks, including the identification of the owner of the respective trademark.
These trademarks may only be used for the purpose of identifying the Font Software.

### Reproduction/ Modification of Font Software

Any reproduction, adaptation, translation, alteration, or creation of derivative software using any data
contained within the Font Software. The Licensee may not reverse engineer, decompile, decrypt, disas-
semble, nor seek to discover the source code of the Font Software.
Furthermore, if the Licensee or a third party or parties effect modifications to the Font Software, despite
the prohibition against such modifications, Kyiv Type Foundry (Yevgen Anfalov) becomes the owner of
that modified data. It is specifically prohibited to change or modify the Font/Trademark names used as
identifying tags in the Font Software in any form or manner. If such changes or modifications become

Permitted Transfer of Files

For the exclusive purpose of outputting certain files, the Licensee is permitted to transfer a copy of the Font Software used for creating the relevant file, to commercial printers, pre-press or other service companies, on the condition that there will be no active use of the Font Software (i.e. for text editing, corrections, etc.) and the font files will be deleted after completion of the relevant service by such service companies.

Misuse/Unlawful Use

Use of Font Software owned and/or distributed by Kyiv Type Foundry (Yevgen Anfalov) without valid and/or adequate licencing, constitutes an infringement and is illegal.
